Display																													
Dot Matrix	128 x 64 dots																												
Keyboard																													
Number of keys	38+3 side keys																												
Illuminated keyboard	Yes																												
Software																													
Unit conversion	107 or more																												
Hardware																													
Batteries	Four AAA Alkaline/ support Ni-MH rechargeable																												
SD Memory card slot	Available																												
USB Port	Available																												
Rubber grip (thermoplastic elastomer)	Available																												
Strap holder	Available																												
Inclusive of: 1 unit SD card, 8GB 1 unit battery charger 4 pieces rechargeable Ni-MH, AAA batteries																													

This shall form an integral part of the Bidding Documents.

For guidance and information of all concerned.

GINA D. NAIMES-CASTOR
 BAC Chairperson 5/4/17
